Display your Company's history through an annual composite

Your framed company poster is completely customized to your specifications.

The Composite comes framed and ready to hang.

Your unit composite is a GPC approved purchase under Heraldry Items.

To order fill out all information on the contract sheet and return to us via email or at our studio.

Once ordered, your troops may order a personal size copy too.

Planning Checklist.

1. Schedule Hero Portraits with Pro Image.
2. **All Insignias *must* be provided before Composite assembly.**
Hard copies (physical patches, pins, crests) or digital files (min. 300 dpi 4x6, 500 KB or more) accepted.
3. Missing soldiers? We can arrange make ups as needed. No additional charge to the unit to photographed the troops required. Smaller groups/individual soldiers can also photograph in our studio during our walk-in hours 930 - 1500 on Wednesdays or a scheduled block time if necessary.

Proofs and Printing.

1. The composite will be assembled once the Command Team or Point of Contact is satisfied with the unit participation. The Command Team or POC is responsible for determining the final date and communicating approvals with the Pro Image staff.
2. A digital proof will be provided to the POC specified in the contract. After the 1st proof of the completed composite is sent for approved by the unit, any changes to the layout, misspellings or other mistakes that need fixing must be communicated to the Pro Image staff in writing.
3. Once final proof is approved and the project is submitted for printing, customer assumes all liability. The final image will be printed, framed and the POC will be notified for pick up.

Composite price: \$950

Layout features two command posts in the center, with the soldiers featured around them alphabetically by last name and rank. (ie: SSG Smith, 1 LT Jones).

Your choice of unit crest or other insignia is featured in the center and below.
