### Contract for Panoramic Photo Shoot

Capture your battalion or brigade size element, in one impressive image!

Preserve your unit history with a photo of the entire troop formation and equipment (optional).

Your finished panoramic photo includes a frame and will include verbiage, unit insignia or patches of your choice.

An impressive piece of military heraldry, a panoramic image comes ready to hang!

PLANNING NOTES: Panoramic photos are taken on transparency *film*. This is technology that digital has not been able to replicate. After the photo is taken, the film is scanned, and logos and text are placed onto the image. From date of photo to finished project is approximately 35 days. All photos are delivered framed, and ready to hang on the wall. Pro Image will hang the photos at no extra cost. All prices include framing.

Proofs will be provided via email, and written approval is necessary prior to printing

**Please coordinate with Pro Image of Fort Bragg when planning your photo to ensure proper lightning conditions and formation specifications are met.**
