Contract for Panoramic Photo Shoot

Capture your battalion or brigade size element, in one impressive image!

Preserve your unit history with a photo of the entire troop formation and equipment (optional).

Your finished panoramic photo includes a frame and will include verbiage, unit insignia or patches of your choice.

An impressive piece of military heraldry, a panoramic image comes ready to hang!

PLANNING NOTES: Think about the verbiage and logos you want on the finished product. Please provide logos as Vector images or jpgs. The larger the file size the better for reproduction. Pro Image can create logos or up size from a small file for an additional cost. Quotes for this service available upon request. From date of photo to finished project is approximately 30 days. All photos are delivered framed, and ready to hang on the wall. Pro Image will hang the photos at no extra cost.

All prices include framing. Proofs will be provided via email, and written approval is necessary prior to printing

Please coordinate with Pro Image of Fort Bragg when planning your photo to ensure proper lightning conditions and formation specifications are met.
